

Thrive Youth Discipleship Permission

Discipleship is a critical step in furthering your relationship with Jesus. It will bring knowledge and understanding from biblical teachings and strengthen your knowledge of God's Word.

Thrive Youth allows students from the group to meet with different Thrive Youth Group Leaders one-on-one to walk through devotionals and discipleship programs. Allowing this important discipleship time creates an opportunity for students to ask tough questions they may not otherwise ask in a group classroom setting.

Some important notes about the upcoming lesson series:

- Students may meet with Thrive Youth Group Leaders one-on-one
- Students may also meet in small groups
- Students will not be disciplined on a one-on-one basis by a Youth Leader of the opposite sex
- If being disciplined in a small group, boys and girls will meet separately
- Discipleship will generally not be held on a Sunday morning or Wednesday night. Instead, predetermined schedules will be planned with the student and/or Parent/Guardian ahead of time.
